

ODF-4XXXX

Feature

Optical Distribution Frame with a pull out front feature making it service friendly. A robust and reliant construction. Comes with installation kit: splice cassettes, cable ties and mounting hardware for rack assembly. Can be ordered pre terminated.

Product Picture

Environmental Conditions

Relative Humidity (Operational)		Maximum Non Condensing <93%
Temperature	Storage	-40 to +70°C
	Operational	-20 to +70°C

Physical Characteristics

Housing Material	Cold Rolled Steel 1.0mm
Front Panels Material	Cold Rolled Steel 1.0mm
Coating	100um RoHS compliant powder coating
Bend Radius Limit	>30mm
Adaptor Support	SC,LC, FC, ST

Reference Standards

UL94V-0
RoHS directives

ODF-4XXXX
